An AllViso Product

LIVE Score Screen

for lounges/bars...

***...Everyone is looking.
Brand, promote,
& generate revenue.***

What's the difference? Simple...

Live scores with **your promotions** displayed above! Why not brand and advertise specials to your patrons on a screen they look at every few minutes for the latest score updates?

Take advantage of the captive audience!

how does it work Plug & play...

1. The AllViso Sports Media Player connects to the back of the LCD.
2. From any internet connected computer, visit our website, login and manage your promotions.
3. The AllViso Sports Media Player grabs promotional information from your account and displays it on the screen with a unique, easy to read live sports ticker

What's involved, what's the cost?

Ask about joining an existing
AllViso Bar/Lounge network at
no cost!

*OAC. Requires power & internet.
